FUNERAL SERVICES FOR ROBERT BULLOCK SAT.

Funeral services for Robert Bullock, 76, farmer who took his own life Thursday, January 24, 1946 in the Sandy Ridge Community, were held Saturday in Rogers.

Mr. Bullock's body was found around 4 p.m. Thursday on his ranch near the Sandy Ridge School and officers here were notified. Justice of Peace Womack Brashear rendered a verdict of suicide.

Bullock had left his home to see about some livestock. He had taken a shot gun with him. The gun was found near the body and a stick had been used to press the trigger while Bullock held the gun to his heart. The body was thrown backward over a box on which Bullock had sat before taking his life.

Surviving are his widow and one step-son, Homer Gamble of Houston; two brothers, J. C. Bullock of California and L. B. Bullock of Rogers. Two sisters also survive, Mrs. I. P. Bradley of Houston and Mrs. Benida Flippo of Rogers.

5 Boys are Paroled After Found Guilty Of Box Car Robbery

Five Cameron boys were paroled here Saturday after their guilt had been established in the robbery of a box car here from which 50 packages of cigarettes were taken.

The cases were disposed of by Judge John Watson in District Court. All were held in suspension of a reform school sentence and if they violate the parole conditions they can be taken to the school for delinquent boys. All the boys are 13 years of age except one, the negro, who is 12.

Death Penalty For Negro Who Killed Lexington Officer

Gaither Lovelady, negro, charged by indictment with mudred in connection with the fatal shooting of J. C. Brewer, night officer at Lexington, was given the death penalty by a jury in District court at Giddings, January 16.

The negro shot officer Brewer as he was being placed in jail at Lexington on December 15 for disturbing the peace. Brewer died in a local hospital several days after he had been shot

It was the first death penalty given by a jury in Lee county in 40 years.

Built Real School for 'The Bells of St. Mary's'

One of the most massive sets ever constructed in Hollywood is that within which "The Bells of St. Mary's" was shot. Before starting work on the actual set for Rainbow Productions, Art Director William Flannery constructed a twelve-foot scale model for Producer-Director Leo McCarey.

Erected on RKO Radio's largest sound stage, the set was a two-story gabled structure housing many complete interior sets such as the Sister Superior's study, the chapel, classrooms and so forth.

Correspondents from all over the country visited the set, wandered along its corridors, entered its rooms and expressed amazement at its authenticity. It was unlike any other movie set they had visited. It was, in fact, the parochial school of St. Mary's. This was what McCarey intended.

"The Bells of St. Mary's," starring Bing Crosby and Ingrid Bergman, comes to the Cameron Theatre for four days starting Sunday, February 3rd.

Friday Last Day to Cast Absentee Vote In City Primary

Friday, February 1, is the last day for casting absentee votes in the City Primary election. Only a few had been cast.

The law provides that absentee votes may be cast not more than 20 nor less than 3 days prior to the election.

January 31 is the last day to pay poll taxes and the offices of the collectors in city and county will remain open until midnight.

NEW COUNTY AGENT ARRIVES IN COUNTY

R. B. Tate, new Agricultural Agent for Milam county, began his service last week. He will serve in the absence of J. W. Stufflebeme who is on duty with the United States Navy.

Mr. Tate was recently discharged from the service. Before entering service Mr. Tate was a Vocational Agriculture teacher at Llano, his home city. He was named County Agent in Mason county and after six years there went to Nolan county for seven years as agent. In October 1942 he entered the army as a commissioned oficer and rose to the rank of Major.

Mr. Tate is interested in Club Work and has been very successful with feeder projects among boys.

MRS. ELLA MC GOLDRICK BURIED HERE SUNDAY

Funeral services for Mrs. Ella McGoldrick were held in Cameron at 2 p.m. Sunday, January 27, 1946 from the chapel of the Green Funeral Home with interment in the North Elm Cemerety.

Mrs. McGoldrick had been gravely ill for several weeks and had been in declining health for several years. She died in Cameron Hospital at 3:30 a.m. Saturday, January 26, 1946.

Mrs. McGoldrick was a native of Washington county and before her marriage to Jim McGoldrick of this city, she was Miss Ella Weideman. The family moved to Milam county about 25 years ago.

Surviving are her husband, Jim McGoldrick and one son Jimmy McGoldrick, Jr., two sisters, Mrs. J. D. McGoldrick and Mrs. Joe Kuhn; two brothers, William and Ernest Weideman of Cameron.

Pall bearers were: Chas. Swift, Grady Allen, Carl C. Black, E. S. Shirley, Emmett Streetman, W. W. Markham, Douglas Barron and Joe Bass.

GERMAN POWS TELL OF HEARNE CAMP MURDER

CAMP SWIFT.—German prisoners of war, their lips unsealed by V-J day, Friday told a story of a Nazi rule of fear in a POW camp at the court-martial trial of seven others for the murder of a fellow prisoner whom they branded as a traitor.

Hugo Krauss, considered a traitor by those devoted to Adolf Hitler, was brutally beaten and clubbed Dec. 17, 1943, at the Hearne camp but it was not until last May when Germany was defeated that other prisoners began to talk. Krauss died Dec. 23.

Major Vernon Lemens of Waxahachie, chief prosecutor, brought before the nine-member general court other prisoners who began to spin a web of evidence around the seven. Accused of the murder of Kraus are Anton Boehmer, Guenther Meisel Helmut Meyer, Wener Jaschko, Eric von der Heydt, Werner Hossann and Heinrich Braun. All were German army noncommissioned officers except Hossann and were captured in Africa and Sicily.

All seven pleaded innocent. Trial commenced after Major Edgar J. Fagan urged the court composed of United States Army officers to remember in arriving at their verdict the train-in gand environment of the German soldiers for the last thirteen years rendered difficult the determination of truth from falsity. Their lives were such, he said, that some might fake a confession to make the signer a hero among his own kind.

It the court's verdict is guilty of murder with malice the penalty mandatorily would be life imprisonment or death.

Martin Zehrer, another prisoner who refused to talk until last May, told the court that Boehmer, a company leader, had ordered the fatal beating of Krauss, with this announcement at a company formation:

"There is a traitor among us. You fellows know him and know what to do. So far as I am concerned you can beat him to death."

The next night Krauss was beaten with an iron pipe and a two-by-four with spikes.

Boehmer and Hossann afterward told him he should not say anything

DEES CANDIDATE FOR COMMISSIONER NO. 3

Raymond Dees of Rockdale, widely known citizen and business man and farmer, is a candidate for the office of Commissioner of Precinct 3, Milam county, comprising Justice Precincts 3 and 4, subject to the Primary election to be held on Saturday, July 27, 1946.

Mr. Dees was a candidate for the nomination in the primary of 1944 and was defeated by only 106 votes. In making his announcement for the nomination in the 1946 Primary he said he was responding to the solicitation of many voters in all sections of the Precinct to make the race. He expressed his thanks and appreciation to the friends who supported him in the last campaign and to those who have come forward to tender their support in this election. His campaign, he feels, is launched under the most favorable circumstances and his friends are urging his election because of his qualifications for the office.

Mr. Dees pointed out that in his campaign in 1944 he urged a better system of road maintenance and repair in all sections of the district alike and he feels that he was then advocating a policy which met with the approval of a majority of the people. Now, after 2 years, Mr. Dees says the same mud holes are in the roads and generally there has been no improvements in those sections long neglected. In addition, Mr. Dees pointed out that the Precinct is in debt $5,850.77. He believes the people are entitled to know about their finances and if a Precinct must go in debt the funds should be spent for permanent improvements.

In offering for the place of Commissioner Mr. Dees makes a pledge to the tax payers of the Precinct; that he will faithfully perform the duties, will see to it that the Precinct is made free of increasing debt and deficits; that the roads of the Precinct will be improved and maintained in

Field Offices Accept Applications for Social Security Account Cards

During the war many men who entered the armed forces lost or misplaced their social security account cards. Now many of them have been discharged, and they find it necessary to secure a duplicate. They seem to think it is compulsory to secure the duplicate from the office where they secured the original card and are telegraphing these offices from various parts of the United States, according to Dave Pruitt, manager of the Austin office. The facts in the case are that any field office of the Board will be glad to accept an application for a dulpicate and thereby save the applicant time and expense in wiring back to the office where the original was issued.

Ex-servicemen do not have to request a duplicate from the issuing office. Without cost any office will gladly cooperate with the applicant and do everything in its power to expedite the issuance of a duplicate, Pruitt said.

CITY PRIMARY BRINGS PROGRESS VS. RE-ACTION ISSUE BEFORE VOTERS

TEXAS COMPANY WILL BUILD NEW STATION

The first of Cameron's post war business buildings was due to get under way soon, it was learned here this week.

The Texas Company will build a service station, a large modern unit, at the corner of Highway 77 and North Fannin. Construction will necessitate removal of one of the older type homes in the city.

Across from this site the Burkes-Howard Company, International Harvester dealers, are soon to erect a new business home.

On city property plans were projected for a municipal and auditorium buildings, but these buildings may not be constructed now that the city government will not submit the proposed bond issue.

POLL TAX PAYMENTS IN CAMERON OVER 900

Poll tax payments in Cameron were about average and at noon Wednesday over 900 had been paid.

Thursday is the last day to pay. It was estimated that some 1150 poll taxes will be paid and this figure would be about that of each political year.

The year 1946 is Primary election year both in the city and county. The city primary election will be held on next Tuesday, February 5.

W. H. Stafford, city tax collecter, said that tax payments are about average

Suspense, Thrills Pack New Film Hit at The Cameron Thursday

"The House on 92nd Street," the suspense-filled story of the house that hid a secret more terrifying than the mind can conceive, opens Thursday at the Cameron Theatre with William Eythe, Lloyd Nolan and Signe Hasso in starring roles.

The story of the 20th Century-Fox motion picture was adapted from cases of the Federal Bureau of Investigation. Filmed with the official cooperation of the F.B.I., it could not be made public until the first atomic bomb was dropped on Japan.

"The House on 92nd Street" was produced by Louis de Rochemont and directed by Henry Hathaway.

ANNOUNCING

Mr. and Mrs. Moris Carrlos of 702 Norwalk Lane, Austin, have announced the arival of a seven-pound and two ounce daughter, Tracy Ann, born January 17, at Seaton Hospital. She is the granddaughter of Mrs. Tracy Hobson of Cameron.

Mrs. T. S. Donaldson of Buckholts was a shopper in Cameron last week.

DESTINY OF CAMERON DETERMINED BY VOTE

The City Primary election here Tuesday, February 5th was regarded by many citizens, all tax payers, as perhaps one of the most important yet faced by the people.

There was an undertone of bitterness over the failure of the city government to adequately conceive progress in the past and a feeling that Cameron had lost badly in the race for municipal values as a result of reaction, deeply entrenched, and now fighting to maintain the status quo.

On the other hand many were optimistic. They point out that the people are interested; that business men and property owners feel that the time is here to go ahead and popular sentiment seemed to be crystalized behind younger men who are looking up and to the future, not backward.

They do not agree with the wag who said "Cameron is one hundred years old, and looks it." True the cuty is in great need of friendly hands; to be taken away from the hands of reaction that have beat back Progress through the years.

Those who have made a study of the needs here know that the city has enough income from present taxes to go ahead; that the record in the past has been one of drifting and wasting, as for instance the city has issued or is obligated to issue TEN THOUSAND DOLLARS in warrants to a local bank, running 10 years to buy 2 trucks and one street maintainer; that in 1944 the city spent over TEN THOUSAND DOLLARS in maintaining streets; that in 1945 the city spent SIX THOUSAND FIVE

C. W. CRAVEY BURIED IN CAMERON THURSDAY

Funeral services for C. W. (Wes) Cravey were held at 1 p.m. Thursday, January 24, 1946 at the chapel of the Green Funeral Home, with Rev. C. W. Sanders pastor of First Baptist church, conducting. Interment was made in Oak Hill Cemetery.

Mr Cravey, pioneer shoe repair man, was a native Texan, born November 14, 1868 in Liberty county. He was preceded in death by his wife in 1913.

Surviving are one daughter, Mrs. Tom F. Dennis of Wickett, Texas, and one sister, Mrs. W. O. McDaniel of Fort Worth.

Mr. Cravey died from a heart attack Tuesday, January 22, 1946. He had been in poor health for several years.

BOY SCOUT TROOP TO ORGANIZE AT GAUSE

Realizing the need of more recreation for the boys in Gause, the Methodist Church, of which Allen Joe Moore is pastor, has decided to sponsor a Scout troop for all boys of the community between the ages of nine through eighteen. The boys of nine, ten, and eleven will have a Cub troop and older boys will become regular Scouts.

The pastor, who has had several years of Scout training, emphasizes the fact that Scouting is non-denominational and respects all creeds. The primary purpose of the Scout program is to build character and prepare boys to take their place in the world.

A meeting will be held of all the boys that are interested at 2:30 o'clock Sunday afternoon.

Sunday will also be Church Day for the Methodists of Gause. Sunday School at 10:00 a.m. Morning worship at 11:00 in which the pastor's subject will be "God Knows All." Holy Communion will be observed. Young people meeting at 6:30 p.m. and Evening worship at 7:30. The subject for this service will be "Doing Business With God."

4-H Club Boys Meet at Gause

4-H club boys of Gause School met with county agent, R. B. Tate, last Thursday at which time 22 club members received instructions in how to carry on their demonstrations for 1946.

The following members have selected swine demonstrations: Jimmy Harvis, John Todd, Jackie Todd and Floyd Hafley. Those choosing poultry are: Jack Bowling, Lester Ruddick, and Billy Ruddick. Garden: Earl Ray Lewis. Dairy calf: Donivan Jordan, Norval Jones, Carl Walker. Beef calf: Jack Lange, Odell Pratt, Sam Yoakum, Weldon Ballinger, Robert Lee Gaston. Corn: Billy Don Rose, Eugene Rose and Floyd Hafley. Other boys have not selected their demonstrations.

It was pointed out that 200 pounds of 5-10-5 fertilizer per acre is recommended to be applied with an attachment on planter at the time of planting. Texas Hybrid No. 12 was recommended for the Gause community. The seed and fertilizer are both available in Cameron.

Mrs. Watt Skinner of Rogers, has concluded a visit here with her brother and family, Mr. and Mrs. Joe Denson.

WHY NOT?

Since the Planning Board report has become an issue in the campaign for council members. The Herald suggests that it might be of interest to the people to know what the report recommends.

Mayor Smith says frankly that if he is re-elected "the Planning Board report will be put on the shelf where it belongs." Neither of the two present council members, running for re-election are in favor of the Planning Board report and neither of the three Citizens Candidates have indorsed the report. It follows as certain there may be some who think the report may be lacking in merit.

The Planning Board could do a fine public service by defending its work to the extent of telling the people what they did recommend. Why not?

The report was made last October. It was suppressed by the Council. Civic organizations, all of them, indorsed it and petitioned the Council to order a nelection. The Council referred the matter to the City Attorney to draw the election order. Why has the order not been drawn? Why has the matter been left in suspension? Who is to blame? Is Mayor Smith to blame? Are members of the Council to blame? Is the City Attorney to blame?

Could it be that the Volunteer Firemen, the American Legion, the Veterans of Foreign Wars, the Lions Club, the Chamber of Commerce, the Rotary Club, the Knights of Columbus, the Business and Professional Womens Club—could they all be enemies of the community for suggesting Progress? These questions demand an answer. Why not?

Since the Planning Board is not in politics, will not engage in politics; has done its work and has been widely praised and indorsed, it seems to The Herald the situation should be clarified Why not? Cameron needs some good, old fashioned debunking.

3 New Stockholders First National Bank

It has just been announced by The First National Bank that Seely Lamkin and Mack Akers of Cameron, and Cecil R. Criswell of Buckholts, have become associated with the bank as stockholders.

Mr. Lamkin will also occupy the position of Vice President. He brings with him a very wide knowledge of the people of Cameron and Milam county and a beneficial knowledge of banking. He was at one time vice president and director of the Texas State Bank and Trust Company, which institution eventually consolidated with the First National Bank.

Mr. Akers and Mr. Criswell are well known as very successful business men and have many friends throughout this area

Vernon Roberts and Lester Williams, who have come into The First National Bank as Chairman of the Board and President, respectively, have many years of banking and financial experience behind them.

Mr. Roberts served a period of six years with the Citizens National Bank of Cameron as assistant cashier, and Mr. Williams served a p eriod of eighteen years with the Citizens National Bank, the last seven years being in the capacity of cashier.

August Gurecky, who has recently been made cashier, has been with the First National Bank for nineteen years. He spent three years with the Texas State Bank and Trust Company. He has many friends and is widely known throughout this district.

Ernest Vogelsang, who was made President of the bank, following the death of the late H. M. Hefley, was elected Vice President at the time Mr. Roberts and Mr. Williams bought into the institution. Mr. Vogelsang will continue as Vice President. He is widely known for his business ability and livestock and ranching operations and has the friendship of thousands throughout this area.

Mrs. T. W. Boykin Celebrates Birthday

Mrs. T. W. Boykin celebrated her 90th birthday at her home in Cameron on January 23, 1946. Mrs. Boykin was born at Fiarfield, in Freestone county. The family lived for awhile in Burnett where Mr. Boykin died. Mrs. Boykin later moved with her children to Ben Arnold where they lived for nearly fifty years. She has resided in Cameron for the past two years

On this happy occasion, Mrs. Boykin enjoyed good health, and is very active. The event brought together five generations as follows; Mrs T. W. Boykin, Mrs. G. A. Plentl, Mrs. J. D. Reaves, Mrs. Patsy Newquest, and two-month-old Barbara Ann Newquest

Other relatives present were: Mr. and Mrs. J. L. Slaughter her son, J. W. Boykin of Mart, Mr. and Mrs. Dewey McElwrath, and son, Carroll, Mrs. Gilford Thweatt and son, Donald, Captain Weldon Newquest of Bridgeport, and Mr. and Mrs. John Henry Wilson. Many friends also came during the day to extend good wishes.

Miss Delphya Scott who has been ill with flu, is now back at her office for a few hours each day.

All sizes Memo papers at The Herald. Also boxed typewriter papers.

Mrs. Clarence Mayfield of Val Verde visited in Cameron Wednesday.

5 BOYS CHARGED IN CIGARETTE ROBBERY

Five boys all teen-agers, were in court here Wednesday charged with a cigarette robbery.

They entered a box car on the Southern Pacific tracks and took 39 cartons of cigarettes. All save eight of the cartons were recovered, found hidden under a ware house in the railroad district.

The cases were to be disposed of Thursday. Most, if not all, will be returned to their parents. The boys are Wilburn and Johnnie Morgan, Dewey Tucker, and L Seaton, all whites; and Hollas Lloyd, negro.

Officers were greatly worried over the situation here. Small boys are roaming the streets, playing the marble machines, spending money they do not have the appearance of being able to afford and generally are heading for disaster. The juvenile problem is one of the gravest now facing this country. Parents have all the responsibility.

Miss Frances Loraine Williams became the bride of Cpl. James Payne, Saturday, January 19, with Judge Jeff T. Kemp reading the ring ceremony at his office. The bride was attractively attired in a late model yellow dress with brown accessories. The young couple will make their home at Gause.

Cameron FFA Study Grasses and Legumes

The grass plots located on the air port along side the highway is a project of the F.F.A. Chapter rather than the Chamber of Commerce as was reported a few days ago.

The F.F.A. boys deserve a lot of credit in carrying on this experiment. The boys are studying the growth of the grasses, the resistence to drought, the retarding of soil erosion, and the legume which are good soil building crops.

Wm. F. Arthur, Vocational Agriculture teacher, reported that the following grasses and legumes were growing: Madrid Sweet Clover, Yellow Flowering Sweet Clover, White Dutch Clover, Hop Clover, Rescue grass, Mesquite grass, Italian Rye grass, Canary grass and Melitolous Indica.

In the spring the following grasses will be growing: Dallis grass, Rhodes grass, Carpet grass, Little Blue Stem, and Blue Gramma.

The boys of the Vocational Agriculture Classes are very interested in this test they are making, in order that they will know more about grass and legumes.

LIEUT. WOODRUFF WARREN REPORTED MISSING IN ACTION
Hyattsville, Maryland, Flyer Failed to Return from Mission over Reich

Many Nazis are now on trial for their crimes against humanity. And numerous others have learned at first hand how a military commission of the War Crimes Branch (upper left), shown in the new March of Time, "Justice Comes to Germany," deals fairly but implacably with the guilty . . . Accused of the unprovoked murder of American airman, Lt. Woodruff Warren (center), of Hyattsville, Maryland, the defendant, Franz Strasser (upper right), hears the charges and specifications of the crime read to him in court by the prosecutor, Captain Victor H. Miles. Interpreters Sergeant Oscar Sessler and Corporal Werner Conn, sworn in, stand by to insure full understanding by the accused . . . A truck driver, Joseph Pusch (lower left), sworn in as a witness for the prosecution, here identifies the dead man's army cap . . . Prosecutor Miles proceeds to establish that the airmen were not attempting to escape and were unarmed when shot. The verdict is then brought in (lower right) and the accused Nazi hears his fate — "to be hanged by the neck until dead."

ARMY ENGINEERS FAVOR DAM ON LEON RIVER

FREEPORT.—A favorable interim report on construction of the Leon river dam has been sent to Washington by the army district engineer's office at Galveston, General Manager R. D. Collins reported to the Brazos River Conservation and Reclamation district board of directors meeting here Monday.

The Leon is one of 13 original dams proposed by the Brazos district, and is the key flood control unit in the lower Brazos valley.

The interim report puts the Leon dam in line for favorable attention when the army engineers prepare the next flood control program for submission to congress.

A hearing to gather information on the need for the Leon dam was held at Belton last November by the army engineers. At that time, it was hoped the interim report would be acted upon favorably during 1946. However there is no definite indication now as to just when the action will come.

Farmers in Little river bottom in Milam county were instrumental in the final convincing effort to get favorable action on the proposed dam on the Leon above Belton. The meeting was held in Belton last November at which time data was presented on flood damage in this county.

Currently the Brazos River Conservation and Reclamation District Committee is considering the major problems over the entire shed. The Leon dam was worked out by the small dams committee and is only a unit of the major system of flood control but vital to Milam county.

CASH AWARD WON BY LOCAL TRAPPER

Skillful Handling of Ring Tail Pelt Earns Award for J. L. Witte In Sears 17th National Fur Show

* * *

Read How You, Too, May Win an Award as High as $1,000.00 Cash

Proving again that 'better pelt handling pays," this local trapper got an extra $5.00 in cash—one of the Daily Awards in Sears 17th National Fur Show—and, besides, a chance to share in the big major awards!

What this trapper did, you too can do—whether or not you sell your furs through Sears Raw Fur Marketing Service. For Sears Fur Show offers, this season, a total of 942 cash awards, including the First Award of $1,000.00 for the best handled pelt of all.

942 Awards—$7,590 Cash

Yes, a total of 942 cash awards for fur shippers—942 opportunities to share in $7,590.00 in cash.

MAJOR CASH AWARDS: There are ten major cash awards, ranging from $50.00 to $1,000.00.

SECTIONAL CASH AWARDS: There are sectional awards, too—for complete shipments of five or more pelts—one award of $250.00; eleven of $50.00 each.

DAILY CASH AWARDS: Finally, there are 918 daily cash awards of $5.00 each, for pelts received during the Fur Show.

Pays You 3 Ways

First, every award is *in addition* to the cash Sears get you for your pelts.

Second, Sears can be depended on to obtain for you *top* prices.

Third, even if you don't win an award, careful handling *enhances* the value of your furs.

This third feature is the real reason for Sears 17th National Raw Fur Show with 942 Cash awards, totaling $7,590.00.

By encouraging careful pelt handling, Sears believe the annual value of America's raw fur can be increased by millions of dollars and that the income of every trapper be given a big boost.

"Miss 16th National" smiles as she exhibits some of the pelts shown during the judging at Sears 16th National Fur Show.

Get In—It's Easy

Every fur you ship to Sears, during the term of the Fur Show, is automatically considered for awards.

Moreover, only the handling of the pelts counts; not the kind of fur, not its value.

So this season, why not try for some *big extra money?* Remember, everybody has an equal chance. You have everything to gain—nothing to lose.

When your furs are ready, ship them to Sears, Roebuck and Co., Raw Fur Marketing Service at the *nearest* of these points: Chicago, Philadelphia, Memphis, Dallas, Kansas City or Seattle. Thousands of trappers have earned awards. YOU CAN, too!

City Primary Brings Out Issue of Progress Against Re-Action

(continued from page one)

HUNDRED AND NINETY DOLLARS for street maintenance making a total of TWENTY-EIGHT THOUSAND DOLLARS in a little over two years in the street department alone, counting $2,200 interest charges on warrants to be issued.

The city now has a salary bill each year of over TWELVE THOUSAND DOLLARS. It takes FIFTEEN HUNDRED DOLLARS a year to pay the salary of the Aldermen. They receive TWELVE DOLLARS and FIFTY CENTS salary every time they meet.

The City has given away over THIRTY-FOUR THOUSAND DOLLARS in discounts on taxes in the past 14 years.

A stop spending policy will give Cameron needed revenues for PERMANENT improvements. Any statement that the proposed improvements projected here will increase taxes, is false. All the government has to do is stop unnecessary expenditures; to have faith in the future; to vacate the old tombs in the dark and look up.

More straw men have been knocked down in Cameron than in any other city in the world. Mayor Thompson of Chicago used to run every two years against the King of England.

The issue is spending. Stop spending money for unnecessary things and convert the city's tax resources into permanent improvements. Save our money. The issue is better salaries for school teachers and a better school; street paving, not a defense of the fox holes; street lighting, not a city of darkness; ridden and sapped by utility bills; sanitation; public health; uniform taxes and equal values; law enforcement; water and sewer lines; fire protection; a home for our firemen, and many other things, all paid for out of the present tax rate.

To have these things the citizen must wake up; must go to the polls and vote early and late, registering for the security of his property and the good future of our city.

about it and he remained silent at an investigation after Krauss' death concenring Boehmer's announcement.

Cross-examined by Major Fagan as to his reason for withholding information from the first investigation, Zehrer answered:

"I was afraid I would get the same thing that happened to Krauss. I felt myself threatened. I know the methods they use from Germany for there I had many friends who had the same things happen as Krauss."

Later he discussed it with a friend and decided he was going "to clear up that matter and I have done so willingly."

Albert Heypeter, another prisoner, disagreed with the methods but did not attempt to dissuade the principals.

"Whether it was my duty or not," he told the court, "to do so would have been suicide."

He said Boehmer told his fellow prisoners "somebody has squealed about our news bulletins" and added that they should "strike dead' traitors in the company. Krauss had been sent from the assembly that evening "for a purpose," Heypeter said.

His testimony linked Meyer Hossann, Braun Jischko and von der Heydt with the discussion of plans which preceded sounds of a beating in an adjoining barracks shortly later with Krauss' voice calling for help and urging, 'Meyer, cut it out, for I'm already bleeding."

(This story was published in The Herald at the time of the fatal beating. Also the flag incident when the Stars and Stripes were removed to satisfy German musicians who were playing for an entertainment at the camp on July 4.)

DEES

accordance with the principle that no tax should be collected without a corresponding benefit to the people who pay it.

Mr. Dees would devote all of his time and attention to the Precinct and his friends point out that his experience as a business man and farmer, plus his ability, will enable him to serve with satisfaction few men can give in this important office.

Mr. Dees has a thorough knowledge of the needs of the Precinct and would be able to begin his duties with the maximum of experience and equipment for a record of good performance.

He became a candidate only after so many of his friends and supporters in the campaign of 1944 urged him to make the race. He is deeply grateful for the confidence this support expresses and he urges his friends to help him in the coming campaign.

Mr. Dees plans an active campaign and wants to see and talk with each voter of the Precinct. If he does not have the pleasure of seeing each one and asking for their support personally he takes this method of assuring them of his earnest desire for their vote, pledging the people that they will never have cause to regret they cast their vote for him for the office of Commissioner.

Two Radio Dials Guide Vessels in Mine Fields

LONDON. — A 30-pound radio device that enables a navigator to determine his vessel's position by reading two dials and consulting a chart, was taken off the secret list recently by the admiralty.

The apparatus, which guided ships from many parts of southern England through minefields to Normandy beaches on D-Day, was credited by seamen with being five times more accurate than any other navigational aid.

The instrument sends out a radio beam which allows the navigator to take readings from the dials. The vessel's position is then determined by correlating the dial readings with a specially marked chart.

Nazis Are Barred From Business by Army Chiefs

FRANKFURT, GERMANY. — United States army headquarters recently ordered active Nazis and militarists who had gained positions of prominence and influence in their communities removed from private businesses, professions or occupations.

Heretofore, military government authorities have directed their main attention to ousting Nazis from governmental and quasi-public positions. In contrast, the new order is designed to denazify every phase of German life.

The directive permits the issuance of temporary revocable licenses to physicians and others engaged in such activities "as are necessary for the health, safety, or well being of their community."

Miss Clanton said that bulky articles usually are noticed when books are turned in, but items like photographs, unmailed letters, social security cards and book markers are overlooked.

Ada Henderson School Has Good War Record

The Ada Henderson School membership in Junior Red Cross is 100%. Each Home Room is enrolled and receives the monthly magazine, The Junior Red Cross News. As a Christmas project, the Juniors contributed 400 used Christmas cards and 25 wreaths to McClosky General Hospital. For two years the Juniors have been working with the Camp and Hospital Council to help bring pleasure to the patients of McClosky. At present the Juniors are collecting shoes and clothing for the children of the war-torn countries.

The Ada Henderson School will participate in the National School Saving Program sponsored by the Treasury Department. This program is a continuation of the School-at-War Program carried on during the years in which the United States was at war. The emphasis in the new program will be upon thrift, and money management.

Mrs. Roy Hensley will sponsor the project for the new year. The Schools-at-War Program was sponsored by Miss Ada Margaret Smith who was assisted by members of the Eighth grade. From 1941 to the last drive in 1945 the children of Ada Henderson School purchased over $60,000 in bonds and stamps.

LOCAL TRAPPER WINNER OF SEARS PELT AWARD

J. L. Witte, well known trapper from Cameron, is a winner of a Daily Award for correct handling in the Seventeenth National Fur Show conducted by the Raw Fur Marketing Service of Sears, Roebuck and Company.

Witte's carefully handled Ringtail pelt brought him one of the $5.00 Daily Awards, as a result of its being judged one of the three best handled skins among all pelts received at Sears Raw Fur Marketing Station in Dallas on Tuesday, January 15th, and in addition entitles Witte to consideration for one of the major awards, including $1,000.00 First Award, to be selected at the final judging, which will be held in April.

Correct pelt handling—the prime purpose of the Fur Show—has proved to be of vital importance to trappers due to the fact that millions of dollars were formerly wasted through careless, incorrect skinning, stretching and drying of furs—dollars which could readily have gone into the trapper's pockets instead of being cast to the winds. Well-prepared pelts command more money than poorly handled ones — thus increasing not alone the earnings of the trapper, but the value of our country's natural resources. Sears Fur Show was established to stress the point and, thus, to encourage correct pelt handling.

This season's 17th National awards again total $7,590.00 in cash, including 918 daily $5.00 awards, ten major awards amounting to $1,950.00—topped by an eagerly sought-after $1,000.00 First Award—plus twelve sectional awards for complete fur shipments — aggregating $800.00. All awards are for pelt-handling only, not kind or value of skin. Every pelt shipped to Sears, during the term of the Fur Show, is automatically considered for one or more awards. Full details are given in the 1945-46 edition of TIPS TO TRAPPERS, free copy of this book may be obtained by writing Sears Raw Fur Marketing Service, Dallas.

WAR CRIMES BRANCH
JUDGE ADVOCATE SECTION
HQ THIRD UNITED STATES ARMY
LIEUT. WOODRUFF WARREN REPORTED MISSING IN ACTION
Hyattsville, Maryland, Flyer Failed to Return from Mission over Reich

Many Nazis are now on trial for their crimes against humanity. And numerous others have learned at first hand how a military commission of the War Crimes Branch (upper left), shown in the new March of Time, "Justice Comes to Germany," deals fairly but implacably with the guilty . . . Accused of the unprovoked murder of American airman, Lt. Woodruff Warren (center), of Hyattsville, Maryland, the defendant, Franz Strasser (upper right), hears the charges and specifications of the crime read to him in court by the prosecutor, Captain Victor H. Miles. Interpreters Sergeant Oscar Sessler and Corporal Werner Conn, sworn in, stand by to insure full understanding by the accused . . . A truck driver, Joseph Pusch (lower left), sworn in as a witness for the prosecution, here identifies the dead man's army cap . . . Prosecutor Miles proceeds to establish that the airmen were not attempting to escape and were unarmed when shot. The verdict is then brought in (lower right) and the accused Nazi hears his fate — "to be hanged by the neck until dead."

Pfc. George H. Deer in States; On Way Home

Mr. and Mrs. Sam Deer received a long distance call from their son, Pfc. George H. Deer last Sunday from Oceanside, California.

Pfc. Deer has arrived in the states after being gone for over two years. He served with the heavy artillery in the U. S. Marines and saw much action in the Pacific. After leaving Cameron for service, Pfc. Deer did not receive a furlough before being shipped overseas. His parents and friends will be delighted to see him when he arrives in Cameron within the next few days.

Pfc Deer has been granted a furlough, which he will spend at home before being reassigned to further duty.

Henry Miller who is formerly of Milano was a Cameron visitor Saturday.

Mrs. Bruce Jenning of Devilla visited in Cameron Friday.

Imogene Steele shopped in Cameron Friday.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Rev. W. G. Jackson, Pioneer Pastor, Taken By Death January 22

Rev. Wycliffe Greene Jackson, 73, former teacher and pastor of a number of Central Texas churches, died Jan. 22 at his home near Gatesville. Funeral services were held at Scott's funeral home, Gatesville, with Rev. G. L. Derrick, pastor of Calvary Baptist church and Rev. Crane, pastor of Gatesville Methodist church, officiating.

Members of Mt. Hiram Lodge No. 595, Copperas Cove and the Gatesville Lodge were pallbearers and conducted the services in Restland Memorial Park of Gatesville.

Rev. Jackson will be remembered by many Milam county people. He lived in Milam county for a number of years, and taught school and preached at Marlow.

Ben Hardie Bailey, F2c, Arrives in States

A telegram was received by Mr. and Mrs. Bob Bailey Saturday morning from the Salvation Army, informing them of the arrival of their son, Ben Hardie Bailey, F2c, on Friday, January 25th, in San Diego, Calif.

Saturday night a long distance telephone call came to them from their son, who has been in naval operations in the Pacific. Ben Hardie sailed on the 23rd of last May and was anchored in Tokyo Bay at the time of the signing of the peace. He was aboard the USS Springfield.

Star Ingrid Bergman Wins Praise and Love Of Film Associates

"You are the most wonderful character with whom any of us has worked in our many years in motion pictures!"

This was the superlative praise bestowed upon Ingrid Bergman by Producer-Director Leo McCarey speaking for his entire company, at the conclusion of the filming of "The Bells of St. Mary's" — in which Bing Crosby and Miss Bergman are co-starred.

When her final scene, with Henry Travers and Bing Crosby had been filmed, Miss Bergman planted a big kiss on McCarey's cheek. McCarey assembled the entire cast and crew for a group photograph, after which he addressed her as above.

"The Bells of St. Mary's" is the first offering from the new production, "Rainbow Productions, Inc." in which both McCarey and Crosby are financially interested. Released by RKO Radio, the picture will be seen at the Cameron Theatre for four days starting Sunday, February 3.

Dorothy Huebner and Edwin Ciborowski Married at Houston

Miss Dorothy Florence Huebner, daughter of Mr. and Mrs. H. F. Huebner, became the bride of Ensign Edwin W. Ciborowski, son of Mrs. Helen Ciborowski of Little Falls, New York, in a ceremony at 5 p.m Sunday, January 20 in the Sanctuary of Immaculate Conception Church, Houston. Rev. Vincent Liberto OMI, read the impressive service

The bride, given in marriage by her father, was gowned in traditional white satin, Victorian in style, fashioned with tapering sleeves, closely fitted bodice and full court train. Chantilly lace edged the inset yoke of marquisette and sleeves. Her lace-trimmed veil of illusion was held by a halo of orange blossoms. The bride carried a white bridal prayerbook overlaid with white orchids and satin ribbons.

Miss Laurita Huebner, the bride's only attendant, served her sister as maid of honor. Miss Huebner chose a gown of delft blue marquisette and carried an old-fashioned nosegay of harmonizing spring blossoms.

Joseph R. Walzel of Cameron served the groom as best man.

The bride's mother was attired in black crepe with matching accessories. Her corsage was of pink carnations.

Mr. and Mrs. H. W. Kincher were hosts for a reception honoring the couple at their home, following the ceremony. The lace-laid bride's table had as its central decoration the three-tiered wedding cake, embossed with orchids and lilies of the valley. Silver candelabra holding slim white tapers flanked the cake completing the arrangement. Arrangements of chrysanthemums were placed at vantage points about the reception room.

Miss Evangeline Huebner presided at the bride's book. Assisting in serving were Miss Mildred Hunt, Miss Dorothy Spence, Mrs. S. A. Huebner, and Mrs. W. C. Huebner.

The couple left by plane following the reception for a wedding trip to Chicago Niagara Fills, Little Falls, and New York City. For travel the bride chose a lovely green gabardine suit with brown accessories and a corsage of white orchids.

Mrs. Ciborowski was graduated from C. H. Yoe High School in 1940 and attended the University of Houston. She has been employed by the Federal Bureau of Investigation for the last three years. Ensign Ciborowski is receiving his discharge from the United States Maritime Service.

Two Bride-Elects Are Honored With Shower

Mrs. Jack E. Stidham, Misses Margie Blaylock and Alyce Kosel were hostesses at a buffet supper, honoring Misses Loretta Polansky and Mary Ellen Cottle, Monday evening, January 28 at the home of Mrs. E. L. Kosel

Miss Polansky is the bride-elect of James Brock and has set February 11 as the date for her wedding. Miss Cottle is the bride-elect of Capt. John Huffaker of San Antonio.

The reception rooms were beautifully decorated with arrangements of pink and white carnations. The serving board was laid with a madeira cloth, centered with a miniature bride in traditional bridal attire on a mirrored reflector, flanked by taill white tapers in silver holders. Smaller tables in the living room were laid with madeira cloths and centered with small bridal bouquets of pink tulle and carnations. Places for the guests were marked by heart-shaped baskets filled with mints.

A delicious supper of tomato juice cocktails, fried chicken, potato salad, stuffed celery, olives, pickles, rolls, cake and coffee, was served to the following guests: the honorees, Misses Polansky and Cottle, Shirley Horstman, Dorothy Richter, Billie Marek, Mesdames T. A. Crittendon, John Lane Baskin, and Bob Mitchell.

Mrs. Jack E. Stidham served the salad and Mrs. J. Frank Newton served the meat.

The honorees were presented with a gift by the hostesses.

CITY PRIMARY ELECTION

TUESDAY FEBRUARY 5th

8 a. m. to 7 p. m.

These well known Cameron businessmen and ardent Civic-Service - Welfare workers possess energy, youth, and are trained in the field of Service. They are qualified to render an honest and efficient term in office and would have the iterest of the citizenship, as a whole, at heart; and, at the same time, would stress economy in office as they have in their own business enterprises and as they always have done in the civic and community welfare fields.

PERSONAL WORD FROM THE CANDIDATES:

This campaign is a new venture for each of us and we cannot say, if elected, just what we can or will be able to do! We would, however, endeavor to get the very best for our city possible for each dollar spent.

We believe that Cameron, during this, her Centennial Year, should and can go forward; and we believe further that the citizenship, as a whole, is ready to see our city make all the progress possible now and in the future, during these years when our servicemen are taking up their respective places in the community.

Through an economical administration in office, certain savings are possible. If elected, we shall definitely work for any and all possible savings.

WE WANT YOU, THE CITIZENS AND VOTERS OF CAMERON TO REALIZE FULLY that before any type of major improvement can be made or any great amount of money expended, the plan FIRST would have to be APPROVED by YOU, the VOTERS of Cameron.

We are running upon our own MERITS because of the continuons appeals of FRIENDS in all walks of life and from all sections of our city.

We FINALLY agreed to offer for office and, now that we are in it, we naturally want to win! If elected, we pledge you upon our sincere word that we shall serve to the very best of our ability and would want your suggestions and advice on all matters. We are interested in progress, reasonable and legitimate progress—the kind that would afford our city an opportunity to grow, to achieve, to keep pace and become a better community.

We regret that we cannot see all of you personally to discuss our candidacy, and we use this means to let you know that we shall deeply appreciate your vote and support.

(Political Adv. paid for by the Citizens Committee)
